

Be an angel... Become a Guardian Angel

H SCC's Guardian Angel Program began in 1995 in order to provide animal lovers a way to help out homeless animals in their community without having to "bring them all home." Today, this program is a vital part of our operations with

Guardian Angel messages gracing our Adoption Center Walls. These messages impart a warm and fuzzy feeling to our visitors, providing a visual reminder that the animals in our care have not been forgotten by their community.

Each year, the Humane Society of Chittenden County provides sanctuary for 750–1,000 homeless cats, dogs, and small animals every year. Each of these animals requires food, well-maintained housing, medical attention, socialization, and TLC to properly care for them during their stay. HSCC spends at least \$300-\$500 per animal in our care during their stay. Your sponsorship can help defer those costs and enable us to help more animals.

 You can specifically sponsor the care of our cats, dogs, or small animals. Your Guardian Angelship can be in honor or memory of a beloved animal companion or human friend. It can also be a special gift for that special someone in your life who already has everything. In addition to having your name and a special message on a placard in our adoption center, you will receive a special for your thoughtfulness.

After all, our animal companions deserve all that we have to give to make their lives safe, healthy, and meaningful. Think of the grateful look in your own pet's eyes when you give them affection or offer them their favorite treat. Now think of that look a thousand times over—that's what you'll create by becoming a Guardian Angel to the animals at HSCC.

See details below about becoming a Guardian Angel. For questions or more information, call 802.862.0135, ext. 11.

YES! I would like to be a Guardian Angel for:

- Cats Dogs Small Animals
