 Towns with a Licensed Rehabilitator

While there is a licensed wildlife rehabilitator in each town identified on this map, be aware that a rehabilitator does not necessarily treat all types of wildlife, all species within a wildlife category, and/or may not have capacity to accept another animal.

The codes below will help you identify the general category of wildlife that a rehabilitator is authorized to accept. Use the contact list accompanying this map to contact the closest appropriate rehabilitator.

- A=Amphibians
- B=Birds
- M=Small Mammals
- RV=Rabies Vectors (foxes, raccoon, skunk, woodchuck)
